as such, except that this Section does not eliminate or limit the liability of a Director or Officer to the extent the Director or Officer is found liable for any of the following:

- i. A breach of the Director's or Officer's duty of loyalty to the Association or its members;
 - ii. An act or omission not in good faith that constitutes a breach of duty of the Director or Officer to the Association or an act or omission that involves intentional misconduct or a knowing violation of the law;
 - iii. A transaction from which the Director or Officer received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the Director's or Officer's office;
 - iv. An act or omission for which the liability of a Director or Officer is expressly provided by an applicable statute.
2. **Indemnification**. The Association will indemnify any Person who was, is, or is threatened to be made a named defendant or respondent in a proceeding (as defined in Section 8.3) because the Person (a) is or was a Director or Officer of the Association or (b) while a Director or Officer of the Association, is or was serving at the request of the Association as a director, officer, partner, venturer, proprietor, trustee, employee, agent, or similar functionary of another foreign or domestic corporation, partnership, joint venture, sole proprietorship, trust, employee-benefit plan, or other enterprise, to the fullest extent that a corporation may grant indemnification to a Director or Officer under the Texas Business Organizations Code, as it exists or may later be amended. This right will be a contract right that will run to the benefit of any Director or Officer who is elected and accepts the position of Director or Officer of the Association or elects to continue to serve as a Director or Officer of the Association while this Section is in effect. Any repeal or amendment of this Section will be prospective only and will not limit the rights of any Director or Officer or the obligations of the Association with respect to any claim arising from or related to the services of a Director or Officer in any of the foregoing capacities before any repeal or amendment of this Section. BY-LAWS (cont.)

expenses of prosecuting the claim. It will be a defense to any action that the indemnification or advancement of costs of defense is not permitted under the Texas Business Organizations Code, but the burden of proving this defense will be on the Association. Neither the failure of the Association (including the Board or any committee of the Board, special legal counsel, or members) to have made its determination before the commencement of an action nor an actual determination by the Association (including the Board or any committee of the Board, special legal counsel, or members) that the indemnification or advancement is not permissible will be a defense to the action or create a presumption that the indemnification or advancement is not permissible. If any Person having a right of indemnification under the foregoing provisions dies, the right will inure to the benefit of his or her heirs, executors, administrators, and personal representatives.

3. **Definition of Proceeding**. As used in these Bylaws, the term “proceeding” means any threatened, pending, or completed action, suit, or proceeding (whether civil, criminal, administrative, arbitrative, or investigative); any related appeal; and any inquiry or investigation that could lead to such an action, suit, or proceeding.
